Always just coming in here, starts the game Why can't this puzzle be solved each time it happens it's always the same I look down and then start to bawl

And all I see it burned my eyes burning all inside

caught in the corners of my mind beginning over one more time taking me over (taking all that's mine) one more time.

Always this teasing sometimes I lose faith where is my strength to hold on? facing existence how can I relate? Do I stand clear or move on?

And all I see it burned my eyes burning all inside

caught in the corners of my mind beginning over one more time taking me over (taking all that's mine) one more time. [2x]

Falling through this space in time buried in this hurt of mine falling slowly like a dream falling through a world unseen

why can I not break this spell? I'm in darkness, is this hell? falling towards this hole I see this is how it has to be.

caught in the corners of my mind beginning over one more time taking me over (taking all that's mine) one more time. [2x]

One more time [2x]
