

# Guilty Silence

Korzus

You get mad  
It's terrible waste  
Hate is buried  
In your chest  
The screams are face to face

Guilty  
Silence  
Terror  
And blood

The screams  
Of victims  
Echo in your head

Guilty  
Silence  
Terror  
And blood

Traumatism  
Cannibalism  
Are flooding your mind

Mutilation  
The fascism  
A tongue purple with lies

Guilty  
Silence  
Terror  
And blood
