Eddie the Eunuch

Kris Kristofferson

Eddie the Eunuch was a weasel Nasty as an old man's nose Making believin' he was evil Struttin' in his mama's clothes

You know that Eddie had a bad connection Never had a chance to ball Sleeping in the wrong direction, baby Dreaming he was ten feet tall

But now Eddie the Eunuch is a rock and roll critic Sucking like a super star Slicker than a shoe-shine Quicker than a two-time Eddie what a thang you are

Eddie makes a damn good livin', baby Putting other people down Eddie couldn't ever forgive them baby 'Cause he wasn't Jackson Browne
