

Help Me

Kris Kristofferson

Lord help me walk another mile just one more mile I'm tired of
walking all alone
Lord help me smile another smile just one more smile
I know I just can't make it on my own
I never thought I needed help before I thought that I could do
things by myself
Now I know I just can't take it anymore
With a humble heart on bended knee I'm begging you please help
me

Come down from your golden throne to me to lowly me
I need to feel the touch of your tender hand
Remove the chains of darkness and let me see Lord let me see
Just where I fit into your Master plan
I never thought I needed help before I thought that I could get
by by myself
Now I know I just can't take it anymore
With a humble heart on bended knee I'm begging you please help
me
