For the First Time in Forever

Kristen Bell

Kristen: The window is open, so's that door
I didn't know they did that anymore
Who knew we owned eight thousand salad plates?
For years I've roamed these empty halls
Why have a ballroom with no balls?
Finally they're opening up the gates

There'll be actual real live people
It'll be totally strange
But wow, am I so ready for this change

'Cause for the first time in forever
There'll be music, there'll be light
For the first time in forever
I'll be dancing through the night

Don't know if I'm elated or gassy
But I'm somewhere in that zone
Cause for the first time in forever
I won't be alone

I can't wait to meet everyone! (gasp)
What if I meet... the one?

Tonight imagine me gown and all
Fetchingly draped against the wall
The picture of sophisticated grace
Ooh! I suddenly see him standing there
A beautiful stranger, tall and fair
I wanna stuff some chocolate in my face

But then we laugh and talk all evening,
Which is totally bizarre
Nothing like the life I've lead so far

For the first time in forever
There'll be magic, there'll be fun
For the first time in forever
I could be noticed by someone

And I know it is totally crazy
To dream I'd find romance
But for the first time in forever
At least I've got a chance

Idina: Don't let them in, don't let them see
Be the good girl you always have to be
Conceal, don't feel, put on a show
Make one wrong move and everyone will know

Idina: But it's only for today
Kristen: It's only for today

Idina: It's agony to wait
Kristen: It's agony to wait

Idina: Tell the guards to open up the gate

Kristen: The gate

Kristen: For the first time in forever
Idina: Don't let them in, don't let them see

Kristen: I'm getting what I'm dreaming of
Idina: Be the good girl you always have to be

Kristen: A chance to change my lonely world
Idina: Conceal

Kristen: A chance to find true love
Idina: Conceal, don't feel, don't let them know

Kristen: I know it all ends tomorrow,
So it has to be today
'Cause for the first time in forever
For the first time in forever
Nothing's in my way!
