

# Breathe

Kristinia DeBarge

I don't ever wanna let you go  
You're the only thing I really know  
Shattered pieces broken in my chest  
I'm lost

Your heartbeat's fading  
Like you'll flatline soon  
Baby don't give up, just hold on

To the lightning in the storm  
Oh, oh, oh, oh, oh  
To the lightning in the storm  
Oh, oh, oh, oh, oh  
Light the flame and let it go  
Oh, oh, oh, oh  
It's insane and beautiful  
Oh, oh

When we breathe  
When we breathe, love  
When two hearts collide in  
When easy is tough, breathe love

Like a flower blooming in the desert  
I'm breathing underwater, I need air  
I close my eyes and hope you hear my prayers  
Oh whoa

Your heartbeat's fading  
Like you'll flatline soon  
Baby don't give up, just hold on

To the lightning in the storm  
Oh, oh, oh, oh, oh  
To the lightning in the storm  
Oh, oh, oh, oh, oh  
Light the flame and let it go  
Oh, oh, oh, oh  
It's insane and beautiful  
Oh, oh

When we breathe  
When we breathe, love  
When two hearts collide in  
When easy is tough, breathe love

I feel the emptiness, it's getting harder  
And I don't wanna hold hands with loneliness  
It's tryna run me down  
It's gonna take everything in me  
Can't do it alone, so don't give up, just hold on

To the lightning in the storm  
Oh, oh, oh, oh, oh  
To the lightning in the storm  
Oh, oh, oh, oh, oh  
Light the flame and let it go

Oh, oh, oh, oh  
It's insane and beautiful  
Oh, oh

When we breathe  
When we breathe, love  
When two hearts collide in  
When easy is tough, breathe love
