

# Rock 'n' Roll Handshake

Krokus

We've been around for so long  
Losin' ground but getting strong  
We've seen it comin', we've seen it go  
So come on loosen up breakaway  
Hey! Hey! Hey!

Gimme a rock'n'roll handshake  
Set your spirit free  
Gimme a rock'n'roll handshake  
Turn around slap one on me

Breakin' the fight with an old song  
Making it right 'cause it was wrong  
Cover my back and I'll cover yours  
So come on shake it up break away  
Hey! Hey! Hey!

Gimme a rock'n'roll handshake  
Set your spirit free  
Gimme a rock'n'roll handshake  
Turn around slap one on me

One for all and all for one  
Life is short to jump the gun  
So come on crank it up break away  
Hey! Hey! Hey!

Gimme a rock'n'roll handshake  
Set your spirit free  
Gimme a rock'n'roll handshake  
Slap one on me

Gimme a rock'n'roll handshake  
Set your spirit free  
Gimme a rock'n'roll handshake  
Turn around slap one on me
