```
In the cool, cool of the morning, that's when I'm coming
home
In the cool, cool of the morning, that's when I'm coming
Stayed Awake All Night (Stayed Awake All Night)
Stayed Awake All Night, night long (Stayed Awake All Night)
Stayed Awake All Night (Stayed Awake All Night)
Stayed Awake All Night, night long (Stayed Awake All Night)
Stayed Awake All Night, Stayed Awake All Night
Stayed Awake All Night, Stayed Awake All Night
In the cool cool of the evening, I'm hitched up and ready
to ride
In the cool cool of the evening, I'm hitched up and ready
to ride
Gonna truck all night (Gonna truck all night)
Gonna truck all night, night long (Gonna truck all night)
Gonna truck all night (Gonna truck all night)
Gonna truck all night, night long (Gonna truck all night)
Stayed Awake All Night, Stayed Awake All Night
Stayed Awake All Night, Stayed Awake All Night
In the cool cool of the morning, that's when I'm coming ho
me
In the cool cool of the morning, that's when I'm coming ho
me
Stayed Awake All Night (Stayed Awake All Night)
Stayed Awake All Night, night long (Stayed Awake All Night)
Stayed Awake All Night (Stayed Awake All Night)
Stayed Awake All Night, night long (Stayed Awake All Night)
Stayed Awake All Night, Stayed Awake All Night
Stayed Awake All Night, Stayed Awake All Night
Stayed Awake All Night (Stayed Awake All Night)
Stayed Awake All Night, Stayed Awake All Night
Stayed Awake All Night, Stayed Awake All Night
Stayed awake, Stayed Awake All Night
Stayed awake, Stayed Awake All Night
Stayed awake, Stayed Awake All Night
Stayed awake
And the music goes round and round
Stayed Awake All Night
```
