

# Tell The Devil Ha!

KRS-One

Be strong, be strong

You must tell the devil (HUH), you must tell the devil (HA!)  
You must tell these devils, word, (HA! HA!)  
You got to tell a devil (HUH), then tell a devil (HA!)  
Got.. word.. what, (HA! HA!)  
You must tell the devil (HUH), huh huh (HA!)  
Be strong! (HA! HA!) Word  
Stand on the rock (..stand up on the rock..)

When the devil got your soul, and you ain't got control  
You know you Born Again, but you feel like you old  
You put your mind on Christ, or put your mind on Kris  
For everlasting life, you must listen to this  
Now you could get with this, or you can get with that  
I think you'll go with this, yo Christians where you at?  
Oh yes it's KRS, with Church of the Harvest  
With Clarence [?], hip-hop's winning evangelist  
And then there's Hezekiah, his fire brings the fire  
He's takin it higher, tell 'em {THE DEVIL IS A LIAR}  
I know, you thinkin bout that Y2K  
And I see, this fear that makes you lose your way  
But we got, somethin that is bigger than Benz  
And we stand, upon the rock that cannot break  
Through millineiums, don't you think we been here before?  
Through millineiums, God has always opened the door  
Word!

You must tell the devil (HUH), you must tell the devil (HA!)  
You got to tell the devil (Ahhhhhhhhhhh HA! HA!)  
You must tell the devil (HUH), you must tell the devil (HA!)  
Word, word up (Ahhhhhhhhhhh HA! HA!)  
Word (HUH) (HA!)  
(Ahhhhhhhhhhh HA! HA!)

(..be strong..) Be strong (..be stronnnnnnnng..)  
Be strong! Word  
(..be strong..) Be strong (..be stronnnnnnnng..)  
Endure! Endure!

Yo, if all you got is money and the little things you wear  
You worry bout your car note, you worry bout your hair  
Then you ain't got no faith, and you must live in fear  
Now listen to me people, and listen to me clear  
So like I was just sayin, I think it's time for prayin  
Don't put your trust in Satan, it's Christ you put your faith in  
You minimize your hatin, and stop your hesitatin  
It's faith that keeps you movin, so do not be mistaken

You must tell the devil (HUH), you must tell the devil (HA!)  
You must to tell the devil, word (Ahhhhhhhhhhh HA! HA!) word  
You got to tell the devil (HUH) UHH tell the devil (HA!)  
You got to tell the devil, word (Ahhhhhhhhhhh HA! HA!) word  
You must tell the devil (HUH), you must tell the devil (HA!)  
Word, tell that devil, word (Ahhhhhhhhhhh HA! HA!) wo-word  
You must tell the devil (HUH) uhh (HA!) uh-huh, yo  
(Ahhhhhhhhhhh HA! HA!) Yo

Now you listen to these lyrics, they speak into your spirit  
You shiver when you hear it, but some just cannot bear it  
But when you get up near it, there's no need that you fear it  
It's KRS O-N-E you know me hip-hop be spirit  
So you tell the devil HUH, tell that devil HA  
Tell that devil HUH, tell that devil HA  
You must tell the devil HUH, tell that devil HA!  
Get out of my life, change your life, word

(..be strong..) (..be stronnnnnnnng..)  
(..be strong..) (..be stronnnnnnnng..)  
(..STAND UP ON THE ROCK!..)
