

Silent Sea

Kt Tunstall

I was happy in my harbor
When you cut me loose
Floating on an ocean
And confused
Winds are whipping waves up
Like sky scrapers
And the harder they hit me
The less I seem to bruise

Oh when I
Find the controls
I'll go where I like
I'll know where I want to be
But maybe for now
I'll stay right here
On a silent sea
On a silent sea

I was happy in my harbor
When you cut me loose
Floating on an ocean
And confused
Winds are whipping waves up
Like sky scrapers
And the harder they hit me
The less I seem to bruise

Oh when I
Find the controls
I'll go where I like
I'll know where I want to be
But maybe for now
I'll stay right here
On a silent sea
On a silent sea

I'll stay right here
On a silent sea
On a silent sea

Oh when I
Find the controls
I'll go where I like
I'll know where I want to be
But maybe for now
I'll stay right here
On a silent sea
