

# I Never Knew

Kumbia Kings

I never knew a love like this before  
I never knew a love like this before

For once in my life  
I believed in my heart that I had it all  
A love I can trust  
That would never ever let me fall

When suddenly my heart started feeling  
Stares of love that were burning  
Building walls, building walls  
Closing all my doors to love

I never knew a love like this before  
How it's burning inside me  
I never knew a love like this before  
How I wish she would know this  
I never knew a love like this before  
She's just killing me slowly  
I never knew a love like this before  
Oh no no no babe

Closing my eyes I just think to myself  
Will this nightmare end  
How many tears will I have to cry  
Till her heart does change

But I don't want to wait  
I don't need to feel this way  
I just made a big mistake, big mistake  
Taking all her lies again

I never knew a love like this before  
How it's burning inside me  
I never knew a love like this before  
How I wish you would know this  
I never knew a love like this before  
She's just killing me slowly  
I never knew a love like this before  
Oh no no no babe

Now she's gone  
Cause I'm letting her go  
Now she's gone

Now I'm all alone  
Now she's gone  
Away

I never knew a love like this before  
How it's burning inside me  
I never knew a love like this before  
How I wish you would know this  
I never knew a love like this before  
She's just killing me slowly  
I never knew a love like this before  
Oh no no no babe

(I never knew a love like this)  
I never knew a love like this before  
How it's burning inside me  
(I never knew a love like this)  
I never knew a love like this before  
How I wish you would know this  
(I never knew a love like this)  
I never knew a love like this before  
She's just killing me slowly  
(I never knew a love like this)  
I never knew a love like this before  
Oh no no no babe .....
