

U Don't Love Me

Kumbia Kings

Girl don't tell me no more lies
Pretending that you're satisfied
Baby I know your love's not true
Quit trying to play me for a fool

Girl you know that you are wrong
You're here one minute and the next you're gone
I'm not blind baby I can see
So why don't you admit
You don't love me

You call me on the phone
Sayin' you'll be late coming home
You say your boss is making you work late
But I don't believe it
Cause when I called your office
So that I could speak with you
You know what they told me
They told me that you quit last week

And how can you explain
That when we make love
You're calling out somebody else's name
And when we kiss your eyes are open wide
And they can't hide what you feel inside baby

Girl don't tell me no more lies
Pretending that you're satisfied
Baby I know your love's not true
Quit trying to play me for a fool

Girl you know that you are wrong
You're here one minute and the next you're gone
I'm not blind baby I can see
So why don't you admit
You don't love me

I saw you on the street
At the place we were supposed to meet
But you were with another man
I couldn't believe it
So I asked your friends
Who the hell was he
You know what they told me
It was a guy that you met last week

And now I can explain
Why when we make love
You're calling out somebody else's name
And when we kiss your eyes are open wide
And they can't hide what you feel inside baby

Girl don't tell me no more lies
Pretending that you're satisfied
Baby I know your love's not true
Quit trying to play me for a fool

Girl you know that you are wrong
You're here one minute and the next you're gone
I'm not blind baby I can see
So why don't you admit

You played with my heart
Tried to play for me for a fool yeah
And like the saying goes
What goes around comes around
And one day you'll exactly know how it feels
