

Aj Scratch

Kurtis Blow

One two three four... here

Up in the Bronx where the people are fresh
There was one Dj who had to pass the test
And now he's down by law and he's ready to play
That's right y'all his name is AJ
Never gets nervous when he cuts the beat
Top notch service in the clutch on the street
A complete elite treat that can't be beat
Because AJ never knew the agony of defeat

AJ I wanna see you (4x)
Kurtis Blow (scratch)

Grandmaster Flash, Affikaa Bambaatta
Starsky, Spoonie Gee and Run DMC
Gotta realize that he goes way back
And now he's down with the king
And we could never be whack
So just kick off your shoes and relax your feet
And rock to the rhythm of the Kurtis Blow beat
Yes, yes, y'all and just shake butt
Because AJ is gonna cut it up

Clap your hands (scratch)
