Kurtis Blow

I pledge allegiance to the Flag of the United States of America, and to the
Republic for which it stands, one Nation under God, indivisible, with libert
y and justice for all

Square meal for every man

Dr. Martin Luther King

Square meal for every man and every woman

Slavery!

Dr. Martin Luther King

I've been to the mountaintop

Don't you love America, my favorite country?
Don't you love America, land of democracy?

Don't you love America, my favorite country?
Don't you love America, land of democracy?

The issues are global

I John Fitzgerald Kennedy, do solemnly swear

Ask not what your country can do for you-
ask what you can do for your country

I Richard Nixon, do solemnly swear

The issues are global

Don't you love America, my favorite country? Germany
Don't you love America, Russia land of democracy? Africa

War

Well, from California to the coast of Maine

From the days of pickin' cotton and sugar cane
From the mountaintops to the rolling hills
Baseball, hot dogs and all the cheap thrills
There's New York City and Kalamazoo
White, black, red, yellow and of course the Jew
Democracy is the land of the free
But we're all gonna die if there's a World War III!

Lebanon, Beirut, Iraq and Iran
Arabians, Russians don't like Americans
Revolutionary terrorists swarm like bees
Take American hostages across the seas
But how long Reagan go for that?
Before he really gets mad and then he goes for a bat?

War!

Yes I'm talking World War III!

Destruction! The end of you and me!

Good lord

Old soldiers never die, they just fade away

I see little hope for us

Good lord

Can we solve... peace?

Can we solve... love?

America
