

Rockin

Kurtis Blow

I walked in this spot, it was about a quarter to three
To check out the music and the young ladies
I saw a pretty girl and said "Hey I feel like romance"
She said "Get away boy, can't you see I'm dancin'," rockin'

She was rockin'
And she was rockin'
And she was rockin'

Now, when she stopped dancin' it was a quarter to four
She took a seat at the bar beside the door
I said to the lady, "Homegirl can I, can I dance with you next?"
"

She said "Okay boy, get off your , " so we were rockin'

We were rockin'
And we were rockin'
And we were rockin'

Now when we stopped dancin' it was about a quarter to six
The DJ was about to spin his very last mix
Then a pretty little lady she said "stop"
I said "Oh no, not until you drop" 'cause I was rockin'

I was rockin'
Yes I was rockin'
Oh I was rockin'
