

Rescue Me

KXM

I've been looking for the right time
But the right time never comes
I've been looking for somebody
Not just anyone
And i haven't got the answer
To why i feel alone
I've been looking for the right time
I'm on the run

Let me out
Rescue me
Let me out
Let it be
Rescue me

I never felt nobody
Never settled down
Yesterday's behind me
The rest is unknown
Just a weary traveller
Like a rolling stone
If you wanna join me
You're more then welcome

Let me out
Rescue me
Let me out
Let it let it let it be
Rescue me

I've been looking for the right time
But the right time never comes
I've been looking for somebody
Not just anyone
And i haven't got the answer
To why i feel alone
I've been looking for the right kind
And i'm still on the run

Let me out
Rescue me
Let me out
Let it let it let it be
Rescue me
Let me out and rescue, rescue me
Let me out
Let it be
Let it let it be
Let it be
