

Broken Glass

Kygo

We were so close to something right
But we're stupid
But we're stupid
But we're stupid

We could turn love into a fight
Over nothing
Over nothing
Over nothing

And the only thing we had in common with each other
Was destroying everything we ever touched

So cheers to us and what we had
Let's keep dancing on the broken glass
And all that's left is smoke and ash
So let's keep dancing on the broken glass

Cheers to us and what we had
Let's keep dancing on the broken glass
'Cause when you're high, you're bound to crash
So let's keep dancing on the broken glass

Let's keep dancing on the broken glass
Cheers to us
Let's keep dancing on the broken glass

We could've done this perfectly
But we're useless
But we're useless
But we're useless

Nobody does a tragedy like you and me
'Cause we're ruthless
'Cause we're ruthless
'Cause we're ruthless

And the only thing we had in common with each other
Was destroying everything we ever touched

So cheers to us and what we had
Let's keep dancing on the broken glass
And all that's left is smoke and ash
So let's keep dancing on the broken glass

Cheers to us and what we had
Let's keep dancing on the broken glass
'Cause when you're high, you're bound to crash
So let's keep dancing on the broken glass

Let's keep dancing on the broken glass
And cheers to us
Let's keep dancing, dancing
Let's keep on dancing
Let's keep dancing on the broken glass
