Bm
I'm a flame
A
You're a fire
G A
I'm the dark in need of light
Bm A
When we touch, you inspire
G A
Feel the change in me tonight
Bm A
So take me up, take me higher
G A
There's a world not far from here
Bm A
We can dance in desire
G
Or we can burn in love tonight
G A
Our hearts are like firestones
Bm D
And when they strike, we feel the love
G A
Sparks will fly, they ignite our bones
D Bm
But when they strike, we light up the world

Our hearts are like firestones
And when they strike, we feel the love
Sparks will fly, they ignite our bones
But when they strike, we light up the world
We light up the world

We light up the world
Ooh ooh
World
Ooh ooh

Firestone

I'm from X, you're from Y
Perfect strangers in the night
Here we are, come together
To the world we'll testify

Our hearts are like firestones
And when they strike, we feel the love
Sparks will fly, they ignite our bones
But when they strike, we light up the world

Our hearts are like firestones
And when they strike, we feel the love

Sparks will fly, they ignite our bones
And when they strike, we light up the world

We light up the world
We light up the world
Oooh oooh
World
Oooh oooh
