Kygo

Eyes so bright in this sunset town
Calls you in just to spit you out
Heart black and blue
Another sunset down

Don't have to talk about it now
And if you need me, I'm around

Oh, I don't know what you're going through
You don't have to walk alone
I'll follow you
All the highs and lows, I'll ride them with you
You don't have to walk alone
I'll follow you

You don't have to walk alone
I'll follow you

Blurry nights in a motel room
Morning light always comes too soon
You do your time and I'll be by your side

We got this life to work it out
And if you need me, I'm around

Oh, I don't know what you're going through
You don't have to walk alone
I'll follow you
All the highs and lows, I'll ride them with you
You don't have to walk alone
I'll follow you

You don't have to walk alone
I'll follow you

You don't have to walk alone
I'll follow you
