Finished with my woman 'cause she couldn't help me with my mind People think I'm insane because I am frowning all the time All day long I think of things but nothing seems to satisfy Think I'll lose my mind if I don't find something to pacify Can you help me, occupy my brain?

## Oh yeah

I need someone to show me the things in life that I can't find I can't see the things that make true happiness, I must be blin d

Make a joke and I will sigh and you will laugh and I will cry Happiness I cannot feel and love to me is so unreal And so as you hear these words telling you now of my state I tell you to enjoy life I wish I could but it's too late
