

Whitewater

Kyuss

Oh sunshine,
The loving beauty,
Pass me by,
Should I waste my time
In your valley,
Beneath your sky?

Aah
Aah
Aah
Aah, I am home

You move your own mountain,
The trees have grown,
The trees have grown,
Now it's over,
Now it's over and I'm coming home

Aah
Aah
Aah
Aah, I am home
