```
Oh sunshine,
The loving beauty,
Pass me by,
Should I waste my time
In your valley,
Beneath your sky?
Aah
Aah
Aah
Aah, I am home
You move your own mountain,
The trees have grown,
The trees have grown,
Now it's over,
Now it's over and I'm coming home
Aah
Aah
Aah
Aah, I am home
```
