

3 Minute Atomic Egg

L.A. Guns

Yeah, it's gonna be alright
Cause we're drafting out in space

Come with me along the way
We're drifting out in space
Climb into my rocket jet
We'll never miss this place
Say goodbye to all your friends
They're gonna disappear
Ride a super highway
To a million miles from here

Yeah, yeah, yeah, yeah
Yeah, it's gonna be alright
Cause we're drafting out in space

Yeah, yeah, yeah, yeah yeah yeah yeah
Yeah, it's gonna be alright
Cause we're drafting out in space
Yeah, it's gonna be alright
Cause we're drafting out in space
