

I Found You

L.A. Guns

Somebody love me
Somebody care
Somebody hold me
When I am scared
Somebody reach out and hold my hand
Somebody somewhere must understand

I found you
You wanted me too

Somebody touch me
Somebody give
Give me a reason
I wanna live
Oh, I don't ask for much
All I want darling is a little trust

I found you
You wanted me too
I found you
You wanted me too

Somebody trust me, Somebody care
I ain't got much, girl
But I'm willing to share
Oh it's hard, this world can be so cold
We all need a little love
It's what makes us whole

I found you
You wanted me too
