

It's All the Same to Me

L.A. Guns

I'm gonna be taking all your money, better just need some
And going to the church 'cause they just have fun
You're walking all around like you're better than me
You say you're living clean but you hate all the stains

You're born into the good life
Head talking to a bad God
You say you want a little bit
Yeah, I know you you better thing twice

(All the same to me)
Go on do what you want, go on, go on
(All the same to me)
Go on say what you want, go on, go on
(All the same to me)
Go on move it along, go on, go on
(All the same to me)
To me! (Hey, hey, hey, hey!)

I got a little bit of danger
Yeah, [?]
Running to me like a breakdown
I will not be around

I don't need to be an angel to look down on you
And I don't need to pray 'cause I know what you do
Dabbing into travel, it's a [?] you got
But if you wanna eat your [?] go from to the top

I wasn't born into the good life
And you wanna be a bad girl
You tell me that you lose it
Baby, it's a big world

(All the same to me)
Go on do what you want, go on, go on
(All the same to me)
Go on say what you want, go on, go on
(All the same to me)
Go on move it along, go on, go on
(All the same to me)
To me! (Hey) Hey, hey, hey!

I got a little bloody danger, yeah I sat down
Running to me to [?] the breakdown
I will not be around

Gone baby, gonna go my way
You're never haunted baby, if I stay
You're going down baby, way down deep
You're going down, down, going down, down honey

You're going out baby, lose no sleep
You're going low baby, forty five feet
You hear the sound baby, take a look around
You're going down, down, going down, down honey
Going down, down, going down, down honey

(All the same to me)
Go on do what you want, go on, go on
(All the same to me)
Go on say what you want, go on, go on
(All the same to me)
Go on move it along, go on, go on
(All the same to me)
To me! (Hey) Hey, hey, hey!
