

# Kiss My Love Goodbye

L.A. Guns

Don't give me that look don't show me  
those tears  
I don't believe 'em  
I gave you my love I've had it to here  
With all your cheatin'

You never believed I would find you out  
It took some time I know what you're about

Kiss my love goodbye  
I've had it with your lyin'  
Kiss my love goodbye  
You weren't even tryin'  
You never thought about anyone else  
You were just takin' care of your self  
You were never mine  
So kiss my love goodbye

You're harder than nails and baby I know  
What's on your mind  
That little girl smile has turned me around  
(saved your skin)  
Not this time

I was breakin' my back tryin' to be there  
for you I got news...you can

Kiss my love goodbye  
I've had it with your lyin'  
Kiss my love goodbye  
You weren't even tryin'  
You never thought about anyone else  
You were just takin' care of your self  
You were never mine  
So kiss my love goodbye

Don't tell me that your heart is breakin'  
Cause this time baby I ain't takin'

Don't mess up that pretty face  
Can't you see it's just too late  
This time baby you went too far  
I see you now for what you are

Kiss my love goodbye  
I've had it with your lyin'  
Kiss my love goodbye  
You weren't even tryin'  
You never thought about anyone else  
You were just takin' care of your self  
You were never mine  
So kiss my love goodbye
