

# Earthquake

Labrinth

Labrinth, come in...

Ladies and gentlemen  
This is something they call  
A ground-breaker, breaker...  
So let me first apologize  
To the shirts and the ties  
For your makeup

Cause I'll make you ugly  
As soon as it drops  
We're on a rampage  
Bottles poppin' off  
Before you know it  
There's rubble and dust  
Cause we be crashing it up  
Somebody say - "You better run"

Yeah!  
I predict an earthquake up in here  
Say yeah!  
I predict an earthquake up in here  
Cause we throw bombs on it, throw bombs on it  
Just smash something, yeah mosh for me  
Hey yeah!  
We can make an earthquake up in here

Ladies and gentlemen  
What you're about to witness  
It's no illusion...  
And now, we got the bass banging from here to Buckingham Palace  
They're all moving  
Hey Simon, we're fucking them up  
Turning them sicko  
Everybody rock  
Let's bring the house down to rubble and dust  
Cause we be crashing it up  
Somebody say - "You better run"

Yeah!  
I predict an earthquake up in here  
Say yeah!  
I predict an earthquake up in here  
Cause we throw bombs on it, throw bombs on it  
Just smash something, yeah mosh for me  
Hey yeah!  
We can make an earthquake up in here

I predict an earthquake up in here...  
Cause we throw bombs on it, throw bombs on it  
Just smash something, yeah mosh for me, yeah  
We can make an earthquake up in here...

Yeah, fire, fire  
We about to set this place on fire  
Without a match or lighter  
Don't do girlfriends

One nighters make them, ah  
C-minor, if I want Christian or Kurt Geiger  
I just phone up the designer  
Doing all-nighters  
No days off, grey hairs and a little bit of weight loss  
I predict riots, I predict chaos  
I predict people, I predict aaahh!  
Disturbing London, got the whole city panicking  
I'll be Nostradamus, this my ni-ni-ni Labrinth

Yeah!  
I predict an earthquake up in here  
Say yeah!  
I predict an earthquake up in here  
Cause we throw bombs on it, throw bombs on it  
Just smash something, yeah mosh for me  
Hey yeah!  
We can make an earthquake up in here

Labrinth, come in...
