

# Oblivion

Labrinth

Heaven never heard me calling  
Guess this is the reason I feel like hell  
Weatherman, the rain is pourin', yeah, yeah  
I wanna be in time  
See, I'm bein' honest right now  
I've been in this dark, cold cell  
So why do I keep myself locked in? Yeah  
I wanna be

I wanna be, be in oblivion  
Don't wanna live like this  
Need something to knock me out  
Don't wanna feel  
Nothing can make me numb  
Nothing left but to run  
I need you to knock me out, yeah

Yeah-ooh-yeah-ooh  
Yeah-ooh-yeah-ooh  
Yeah- Yeah-ooh-yeah-ooh  
I need you to knock me out

Box me 'round the ears, my darling  
Only you can bring relief, my dear  
Yeah, yeah, yeah  
Crush me with love but don't leave, yeah, yeah  
Wanna be

I wanna be, be in oblivion  
Don't wanna live like this  
Need something to knock me out  
Don't wanna feel  
Nothing can make me numb  
Nothing left but to run  
I need you to knock me out, yeah

Yeah-ooh-yeah-ooh  
Yeah-ooh-yeah-ooh  
Yeah- Yeah-ooh-yeah-ooh  
I need you to knock me out  
Yeah-ooh-yeah-ooh  
Yeah-ooh-yeah-ooh  
Yeah- Yeah-ooh-yeah-ooh  
Need you to knock me out

In a cold sweat  
I was livin' in my head  
Near death 'til this experience  
So if you're ready

If you're ready, be my oblivion  
Don't wanna live like this  
Need something to knock me out  
Don't wanna feel  
Nothing can make me numb  
Nothing left but to run  
I need you to knock me out, yeah

Yeah-ooh-yeah-ooh (Oh-oh, no, no, no)  
Yeah-ooh-yeah-ooh (Yeah, yeah, no)  
Yeah- Yeah-ooh-yeah-ooh  
I need you to knock me out (Yeah)  
Yeah-ooh-yeah-ooh (Oh)  
Yeah-ooh-yeah-ooh (So go, ooh, yeah)  
Yeah- Yeah-ooh-yeah-ooh  
Need you to knock me out
