

Something's Got to Give

Labrinth

You know that time never sleeps
Keep one eye open like
I got my head full of dreams
All shattered and broken like
Never chose love
It chose me
But I'm still here
Makin' stones bleed
So I'll go on swimmin' upstream
Till I come tumblin' down

Oh, and I'm walkin' on faith
Oh, and you're livin' on faith
Something's got to give
Something's got to give
Oh, and you're givin' your all
Oh, and it's comin' on sure
Something's got to give
Something's got to give

Gotta give a little more
Oh, yes
When the going gets tough
Gotta give a little more
Oh, yes
In the name of the Father

(Something's got to give, it's got to)

Hey, I been caught in the red
Needing the breath of You
But I came back from the dead
Diamond like, golden like
Never chose love
It chose me
But I keep burnin'
Endlessly, so
Go tell them angels I'm best
There ain't no takin' me down

Oh, and I'm walkin' on faith
Oh, and you're livin' on faith
Something's got to give
Something's got to give
Oh, and you're givin' your all
Oh, and it's comin' on sure
Something's got to give
Something's got to give

Gotta give a little more
Oh, yes
When the going gets tough
Gotta give a little more
Oh, yes
In the name of the Father

(Something's got to give, it's got to)

Give a little more
Oh, yes, oh, yes
When the going gets tough
Gotta give a little more
Oh, yes
When the going gets tough
Gotta

(Usually I won't do this, but I...)

Say it
We made it
Say, I love it when a plan comes together
Baby, say it
We made it
Say, I love it when a plan comes together
Hey, say it
We made it
Say, I love it when a plan comes together
Baby, say it
We made it
Said I love it when a plan comes together
