

## I Don't Care

Lacrimas Profundere

gain I tell a lie  
This love should never die  
I beg you to be mine babe  
I beg you to hold on

"Alone" is just a word  
a harmless senseless stupid thing  
And for now  
It doesn't hurt 'cause I don't care that you're not here

I guess you cannot see  
For you my dear I bleed  
Again you dried my tears babe  
Though love is doing wrong  
I'll wait for your shot  
I swear I will hold on
