Lacuna Coil

I saw you fade  
Was it a dream?  
The sooner have I tried to touch you  
Slowly you disappear.

How to go on?  
You'll never let me down again.  
Hard to go on  
I'll never be the one to blame.

Before

Floating in to your room  
To see  
What is inside,  
Consequentially doomed  
My peace  
is out of sight,

Can't stay away,  
Can't stay away from you.  
Can't stay away,  
Can't stay away from you.

How to go on?  
You'll never let me down again  
Hard to go on  
I'll never be the one to blame.

Before

Floating in your room  
To see  
What is inside,  
Consequentially doomed  
My peace  
is out of sight.

Can't stay away,  
Can't stay away from you.  
Can't stay away,  
Can't stay away from you.  
I can't stay away

Whatever I feel you  
Whenever you keep coming through  
No matter I miss you.  
Whatever Can't stay away from you.  
Can't stay away,  
Can't stay away from you..
