

# Ocean

Lady A

How can someone stand so damn close  
And feel like they're worlds away?  
I can see your sad story eyes  
So how do you have no words to say?

All I want is to fall in deeper  
Than I've ever been, why won't you let me?  
I can handle your heart, so help me

Here you are, next to me  
So much beauty at my feet  
All I wanna do is swim  
But the waves keep crashing in  
No, I'm not afraid to drown  
Take me out, take me down  
I'm so tired of the shore  
Let me in, baby  
You're an ocean beautiful and blue  
I wanna swim in you

Like a lighthouse, I've been shining bright  
Through the dark for the both of us  
And "I've done it outta love" is not enough  
But God, how I wish it was

And I don't wanna find out  
How much lonely I can take before you lose me  
Baby, look at me and swear you won't lose me

Here you are, next to me  
So much beauty at my feet  
All I wanna do is swim  
But the waves keep crashing in  
No, I'm not afraid to drown  
Take me out, take me down  
I'm so tired of the shore  
Let me in, baby  
You're an ocean beautiful and blue  
I wanna swim in you

I can let go  
From moments in your arms  
But they come back again  
The waves, the waves, the waves, the waves  
The waves, the waves, the waves, the waves

Here you are, next to me  
So much beauty at my feet  
All I wanna do is swim  
But the waves keep crashing in  
No, I'm not afraid to drown  
Take me out, take me down  
I'm so tired of the shore  
Let me in, baby  
You're an ocean beautiful and blue  
I wanna swim in you
