

Firefly

Lady Gaga

I call her firefly, 'cause, oh my
She radiates moon glow
Wants none of that noon glow
She starts to glitter when the sun goes down

'Bout 8 pm, it's mayhem
She switches the brights up
Lights up and gives me a call
Take me to the fireflies' ball

But when I get her there
Set her there
Do I get to pet her there
And grab me some glow

No, she's a gad about, mad about
Luring every lad about
While leaving me moaning low

Oh, firefly, why can't I
Latch on to you no how
Oh how I love you, but, gee
While you set the night on
Firefly, shine a little light on me

But when I get her there
Set her there
Do I get to pet her there
And grab me some glow

No, she's a gad about, mad about
Luring every lad about
While leaving me moaning low

Oh, firefly, why can't I
Latch on to you no how
Oh how I love you, but, gee
While you set the night on
Firefly, shine a little light on me
Shine a little light on
Shine a little light on me
(In the morning)
