

Nature Boy

Lady Gaga

There was a boy
A very strange, enchanted boy
They say he wondered very far
Very far over land and sea
A little shy and sad of eye
But very wise was he
And then one day
One magic day, he passed my way

And while we spoke of many things, fools and kings
This, he said to me
The greatest thing you'll ever learn
Is just to love and be loved in return

And then one day
One magic day, he passed my way
And while we spoke of many things, fools and kings
This, he said to me

The greatest thing you'll ever learn
Is just to love and be loved in return
