

Adam

Ladyhawke

When the night comes
I'll follow the sound
I'm drinking it down
I'm always over the line
I'm on a decline again

Four, three, two, one

Adam, won't you carry me back home
(You can carry, you can carry)
I can never walk it on my own
(You can carry, you can carry)
I'll never make it all alone
(You can carry, you can carry)
Adam, won't you carry me back home
(You can carry, you can carry)

Juma-na-na
Juma-na-na-na
Juma-na-na
Juma-na-na-na
Juma-na-na-na-na

Hey, it's alright
I'll try to be good
I'm misunderstood
Time holds back
From here in the fall
I'm nothing at all

Four, three, two, one

Adam, won't you carry me back home
(You can carry, you can carry)
I can never walk it on my own
(You can carry, you can carry)
I'll never make it all alone
(You can carry, you can carry)
Adam, won't you carry me back home
(You can carry, you can carry)

Juma-na-na
Juma-na-na-na
Na-na-na
Juma-na-na-na
Juma-na-na
Juma-na-na-na
Juma-na-na-na-na

(Gotta make it)
Juma-na-na...
