

# Tomorrow

Ladytron

I don't hate you, or want you  
Enough to wake you.  
There's a crack in the window  
Return off the key in ignition

So if you freeze tomorrow  
Come back  
Lucky  
We saw that your eyes were closing

There's a crack in the window  
Return off the key in ignition.  
But I don't hate you, or want you,  
or celebrate you

So if you freeze tomorrow  
Come back  
Lucky  
We saw that your eyes were closing

So if you freeze tomorrow  
Come back  
Lucky  
We saw that your eyes were closing

But I don't hate you, or want you,  
enough to wake you

So if you freeze tomorrow  
Come back  
Lucky  
We saw that your eyes were closing

So if you freeze tomorrow  
Come back  
Lucky

We saw that your eyes were closing x5

So if you freeze tomorrow  
Come back  
Lucky
