

Blue Lagoon

Laid Back

Don't need to worry
It's a waste of time
Don't need to worry
It's a hurry inside

Don't need to worry
Leave your troubles behind
You don't need to worry
It will be all right
It will be all right
It will be all right
It will be all right

Blue blue blue, blue lagoon
Blue blue blue, blue lagoon

Don't need to worry
It's a waste of time
You don't need to worry
It will be all right
Be all right
Be all right

Blue blue blue, blue lagoon
Blue blue blue, blue lagoon
