

# Dark Paradise

Lana Del Rey

All my friends tell me I should move on  
I'm lying in the ocean, singing your song  
Ahhh, that's how you sing it

Loving you forever can't be wrong  
Even know you're not here, won't move on  
Ahhh, that's how we played it

And there's no remedy for memory of faces  
Like a melody  
It won't lift my head  
Your soul is haunting me and telling me that everything is fine  
but I wish I was dead

Everytime I close my eyes  
It's like a dark paradise  
No one compares to you  
I'm scared that you won't be waiting on the other side

Everytime I close my eyes  
It's like a dark paradise  
No one compares to you  
I'm scared that you won't be waiting on the other side

All my friends ask me why I stay strong  
Tell 'em when you find true love it lives on  
Ahhh, that's why I stay here

And there's no remedy for memory of faces...

Everytime I close my eyes  
It's like a dark paradise  
No one compares to you  
I'm scared that you won't be waiting on the other side

Everytime I close my eyes  
It's like a dark paradise  
No one compares to you  
But there's no you, except in my dreams tonight

Ah, ah, ah  
I don't wanna wake up from this tonight  
Ah, ah, ah  
I don't wanna wake up from this tonight

There's no relief, I see you in my sleep  
And everybody is rushing me, but I can feel you touching me  
There's no release, I feel you in my dreams  
Telling me I'm fine

Everytime I close my eyes  
It's like a dark paradise  
No one compares to you  
I'm scared that you won't be waiting on the other side

Everytime I close my eyes  
It's like a dark paradise

No one compares to you  
But there's no you, except in my dreams tonight

Ah, ah, ah  
I don't wanna wake up from this tonight  
Ah, ah, ah  
I don't wanna wake up from this tonight
