

# Nectar of the Gods

Lana Del Rey

Ooh, ooh, ooh  
Ooh, ooh, ooh

What cruel world is this? Nectar of the gods  
Heroin gold in my veins, you in my thoughts  
I'm on the freeway racing at a million  
And I just can't stop  
I call you up twice, hang up the phone  
Call again, I wanna talk

I get wild on you baby  
I get wild and fucking crazy like you never knew  
Knew, knew, knew  
I get wild on you baby  
I get wild and fucking crazy like the color blue  
Ooh, ooh, ooh

What sweet world is this? Honey on the vine  
School kid dreams came true then passed in the night  
I used to dream about people like you  
Now I don't know why?  
I used to sing about people like you  
Now I just get high

I get wild on you baby  
I get wild and fucking crazy like you never knew  
Knew, knew, knew  
I get wild on you baby  
I get wild and fucking crazy like the color blue  
Ooh, ooh, ooh

Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh

I get wild on you baby  
I get wild and fucking crazy like you never knew  
Knew, knew, knew  
I get wild on you baby  
I get wild and fucking crazy like the color blue  
Ooh, ooh, ooh

Californ-I-A, homeland of the gods  
Once I found my way, but now I'm lost
