1. I've been out on that open road
Ami F C
You can be my full time, daddy, white and gold
C F C Emi
Singing blues has been getting old
Ami F C
You can be my full time, baby, hot or cold

F Ami
Don't break me down, I've been traveling too long
F G
I've been trying too hard, with one pretty song

F Ami G Dmi F
R: I hear the birds on the summer breeze, I drive fast
Emi F
I am alone at midnight
F Ami G Dmi
Been trying hard not to get into trouble, but I
F Emi F
I've got a war in my mind, so

F Ami G Dmi Dmi Emi F
So I just ride, just ride
F Ami G Dmi Dmi Emi F
I just ride, just ride

2. Dying young and I'm playing hard
That's the way my father made his life and art
Drink all day and we talk 'till dark
That's the way the road doves do it, ride 'til dark.

Don't leave me now, don't say good bye
Don't turn around, leave me high and dry

R: I hear the birds on the summer breeze, I drive fast...

So I just ride, just ride
I just ride, just ride

F Ami G Dmi
*: I'm tired of feeling like I'm fucking crazy
Emi F
I'm tired of driving 'til I see stars in my eyes
Ami G Dmi F
It's all I've got keep myself sane, "Baby, too much I strive, I just ride."

R: I hear the birds on the summer breeze, I drive fast...

I just ride, just ride
I just ride, just ride
