

# The Greatest

Lana Del Rey

I miss Long Beach and I miss you, babe  
I miss dancing with you the most of all  
I miss the bar where the Beach Boys would go  
Dennis's last stop before Kokomo

Those nights were on fire  
We couldn't get higher  
We didn't know that we had it all  
But nobody warns you before the fall

And I'm wasted  
Don't leave, I just need a wake-up call  
I'm facing the greatest  
The greatest loss of them all  
The culture is lit and I had a ball  
I guess I'm signing off after all

I miss New York and I miss the music  
Me and my friends, we miss rock and roll  
I want you to feel just like you used to  
When, baby, I was doing nothing the most of all

The culture's lit and if this is it, I had a ball  
I guess that I'm burned out after all

And I'm wasted  
Don't leave, I just need a wake-up call  
I'm facing the greatest  
The greatest loss of them all  
The culture is lit and I had a ball  
I guess that I'm burned out after all  
If this is it, I'm signing off  
Miss doing nothing, the most of all  
Hawaii just missed that fireball  
L.A. is in flames, it's getting hot  
Kanye West is blind and gone  
"Life on Mars" ain't just a song  
Oh, the livestream's almost on
