

Young And Beautiful

Lana Del Rey

G A Em D (x2)

I've seen the world, done it all, had my cake now

Diamonds, Brilliant, and Bel-Air now

Hot summer nights, mid July

When you and I were forever wild

The crazy days, the city lights

The way you'd play with me like a child

Will you still love me

When I'm no longer young and beautiful

Will you still love me

When I've got nothing but my aching soul

I know you will, I know you will

I know that you will

Will you still love me

When I'm no longer beautiful

I've seen the world, lit it up as my stage now

Channeling angels in, the new age now

Hot summer days, rock and roll

The way you'd play for me at your show

All the ways I got to know

Your pretty face and electric soul

Will you still love me

When I'm no longer young and beautiful

Will you still love me

When I've got nothing but my aching soul

I know you will, I know you will

I know that you will
