

Asherah

Lana Lane

She's the wind upon the water
Echoing an elegy
Watching over all who fare the sea

She is known throughout the ages
Mother of humanity
Home of myth and deepest mystery

Lady of the stars of heaven and earth

Asherah - Queen of the sky
Asherah - Mistress of time and space
Asherah - Dreams never die

The canopy that covers heaven
Lets in light to feed the tree
Tree of life where time is fantasy

Standing there beneath the forest
Dressed up in her sovereignty
Setting all the captive angels free

Lady of the stars of heaven and earth

Asherah
