

Secrets of Astrology

Lana Lane

In the canopy of stars
Are secrets of the nine centuries
Between Venus, Earth and Mars
Symbols of the ancient fantasies

Signs of life 'cross the starry the sky

Moonlight dances on the water
Rivers flow into the sea
Stars align in perfect order

Moonlight dances on the water
Rivers flow into the sea
Stars align in perfect order
Secrets of Astrology
Fire burns across heavens
Time will flow like mystery
Find the source of holy water
