

# The Unrestrained

Lanfear

I am the unheard voice within  
The dying part of yourself  
I've tried so hard to turn the tide, so long...

Rise and fall is reserved  
To the unrestrained

You're heading for a sorry state  
Without my faithful guidance  
It's time to recollect yourself, again...

Sometimes I become alive awhile  
Don't you know my name?
