LANY

(I'm bad news)  
(Yeah, I'm bad news)  
(I'm bad news, why you think)  
(I'm bad news for you)

I'ma make your mama love me  
Every time you take me home  
I'ma make your daddy hate me  
Every time that we're alone

I'ma treat you right, you'll wanna be mine  
And, baby, that's the worst part  
'Cause I'm never in town, I'll probably let you down  
And I don't wanna break your heart

I'm no good for you  
Baby, I'm bad news  
Wish it wasn't true  
Baby, I'm bad news

I'ma make your sister jealous  
Ask if I got any friends  
I'ma make your brother worry  
'Cause he knows I'm just like him

I'ma treat you right, you'll wanna be mine  
And, baby, that's the worst part  
'Cause I'm never in town, I'll probably let you down  
And I don't wanna break your heart

I'm no good for you  
Baby, I'm bad news  
Wish it wasn't true  
Baby, I'm bad news

Think we should stop before it gets deep  
Don't wanna make promises that I know I can't keep  
I'm no good for you  
Baby, I'm bad news

Baby, I'm bad news  
Baby, I'm bad news

I'ma make you kinda nervous  
Every time I hit the road  
Little rough around the edges  
There's a side of me that you don't know, know, know

No good for you  
Baby, I'm bad news  
Wish it wasn't true  
Baby, I'm bad news

Think we should stop before it gets deep  
Don't wanna make promises that I know I can't keep  
I'm no good for you  
Baby, I'm bad news

Baby, I'm bad news  
Baby, I'm bad news
