

# Can't Hold on Forever

Laura Marano

(Ooh, ooh)

I don't wanna see you go  
I don't wanna take it slow  
When it feels so natural  
(C'mon, c'mon)

Losing minutes, hold your breath  
Running round our silhouette  
There's no need for this to end  
(C'mon, c'mon)

I feel it strong  
Running all through your body  
It could go on, and on, and on

We can go hard, far if you want to  
Skin kissed on your tattoos  
Touch this moment with you  
We can't hold on forever

Show me how you want me  
Stay or leave us empty  
You and I, love or die  
We can't hold on forever  
(Forever)

Hold your tongue and take my hand  
Pull me in or watch me dance  
I'll be here, you be a man  
Ooh (Ooh)

I feel it strong  
Running all through your body (Ooh)  
It could go on, and on, and on

We can go hard, far if you want to  
Skin kissed on your tattoos  
Touch this moment with you  
We can't hold on forever

Show me how you want me  
Stay or leave us empty  
You and I, love or die  
We can't hold on forever

Don't give me a no, just give me your lips  
Don't give me a no, just give me your lips  
Don't give me a no, just give me your lips  
Your lips

We can go hard, far if you want to  
Skin kissed on your tattoos  
Touch this moment with you (Ah)  
We can't hold on forever

Show me how you want me

Stay or leave us empty (Leave us empty)  
You and I, love or die  
We can't hold on forever

Don't give me a no, just give me your lips (Just give me your lips)  
Don't give me a no, just give me your lips (A no, just give me)  
Don't give me a no, just give me your lips  
Your lips (Your lips)  
(Oh, oh, oh)

Don't give me a no, just give me your lips  
Don't give me a no, just give me your lips  
Don't give me a no, just give me your lips  
Give me your lips
