

# Everybody Loves Christmas

Laura Marano

It's that time of year again  
A time that I don't understand  
Wishing I wasn't afraid, I've come so close  
What's this holiday about?  
All this time I've been hidin' out  
Wonderin' if I'll ever know

Tell me now 'cause I don't understand  
Help me out 'cause I don't get it yet  
This isn't how it's supposed to be  
I wanna know what Christmas really means  
All the love and joy, I wanna see  
'Cause it's always lost on me

So, tell me, why does everybody love Christmas?  
Why do we keep waiting up for Santa?  
Tell me, why we're falling for each other every season?  
Tell me, why does everybody love Christmas?  
Why does everybody love Christmas?

My Christmas spirit almost gone  
When suddenly, you came along

It's when I finally understood  
Even when I feel alone  
I'm with you and then I'm home  
Finally feels like Christmas should

Now I think, I think I understand  
You helped me out and now I'm getting it  
You showed me how it's supposed to be  
Now I know what Christmas really means  
All the love and joy I got to see  
Now it's never lost on me

Now I know why everybody loves Christmas  
Why we keep waiting up for Santa  
I know why we're falling for each other, it's the season  
I know why everybody loves Christmas  
Why everybody loves Christmas  
Why we keep waiting up for Santa  
I know why we're falling for each other, it's the season  
I know why everybody loves Christmas
