

Run

Laura Marano

I just wanna run to you
Let myself feel safe to bloom
Give me the space and room
To go and find the truth
With you

I want you to run to me
Let yourself feel safe to make believe
You have the time to choose
All of the space and room
To breathe

Flimsy as paper
But solid as a rock
I can spend forever
Just hearing you talk

So say
You're mine
And let me love you
For all of my life
Just say
I'm yours
Give me forever
And I'll give you more

When I wanna run away
It's not all the time just some days
I find myself next to you
Having the space and room
To be okay

We're flimsy as paper
But solid as a rock
Run with me forever
And we'll never stop

Oh say
You're mine
And let me love you
For all of my life
Just say
I'm yours
Give me forever
And I'll give you more

Baby, I promise you, I promise you
The things I'll do, I'll do for you
I promise you we'll find the truth
You are the future I wanna choose

(We can be) flimsy as paper
But I know we'll last (Ahh)
Can't believe the one I love most
Loves me back

So say

You're mine
And let me love you
For all of my life
Just say
I'm yours (I'm yours)
Give me forever (ever)
And I'll give you more

Say
You're mine
And let me love you (let me love you)
For all of my life (all of my life)
Just say (say)
I'm yours (I'm yours)
Give me forever
And I'll give you more

Give me forever
