Christmas Eve  
All the lights are out  
I can't sleep  
'Cause Santa's comin' to town  
Toys and treats  
Can't wait to see what we got  
My wishlist  
Did it come true or not?

Toys, toys, toys  
I can't wait  
Toys, toys, toys  
For Christmas Day  
Toys, toys, toys  
Santa's coming to town  
Toys, toys, toys  
So let's scream and shout

Can't wait to see what we got  
My wishlist  
Did it come true or not?

(Toys, toys)  
I can't wait  
No, I can't wait, oh  
(Christmas Day)  
Toys, toys, toys  
I can't wait  
For Christmas Day
